The SPORT voucher

Dear parents and legal guardians,

The overarching aim of the sports vouchers project for first-year pupils is to promote their sustained, positive physical, mental, social and emotional development, and consequently to improve the overall health of children in the Hochsauerland district.

The basic idea behind it is to change the day-to-day lives of children who are suffering from ever-increasing levels of physical inactivity. Exercise, games and sporting activities are children's gateway to the world around them. Sports clubs in particular can make a vital contribution to children's all-round development by offering a variety of expertly led sporting activities. They promote values such as fairness, tolerance and team spirit, and they're an ideal place for laying the foundations of a vigorous, active and healthy lifestyle.

As a way of providing access to sports clubs for all primary-school age children, we're now sending you a voucher which will enable your child to take part for free in sporting activities for a period of 6 months.

Our partners in this project look forward to welcoming as many children as possible to their sport clubs!

(Leiter Gesundheitsamt HSK)

Terms and Conditions

- The sports voucher is only provided for this year's intake of first-year primary school pupils.
- The sports voucher can be redeemed at the clubs that are listed in the flyer. To do this, please contact the person at the club who is listed as the point of contact.
- The listed sports clubs are providing the opportunity to take part in their sporting activities for free during a 6-month period.
- The SPORTSvoucher can only be redeemed if the child is not already a member of the club in question.
- There is no legal entitlement to the provision of a specific range of sporting activities.
- The children are covered by personal accident insurance while they are taking part in the sporting activities.

Membership of the sports club

After using the club's facilities for free during the 6-month period it will be possible for the children to become club members. Being a member generally means being able to take part in the full range of the club's sporting activities. The amount of the membership fee depends on the club concerned and the types of sport that are offered. For children it is about € 35 a year on average. You can find out the exact costs involved by contacting the club concerned. Financial support is available in order to help pay for membership. The social services department in the relevant local authority area will be able to provide information about this.

Bitte ausfüllen!

To use the SPORTS voucher

Name: _____

First name: _____

Date of birth: _____

Street, house number: _____

Postcode, town: _____

Tel.-No.: _____

For taking part at

(please enter club name)

in the following activities

I have read and noted the participating
Terms and Conditions.

Date

Signature of parent / legal guardian
